Property Description

We present two magnificent detached villas situated in one of the most sought-after and tranquil areas of the Costa del Sol. Located in the coastal town of Mijas, these properties are positioned right next to the prestigious 18-hole, par-72 Calanova Golf course.

This strategic location combines the convenience of being close to the coast with the privacy, security, and tranquility that buyers of such properties seek.

The project is a residential development designed and built with the utmost attention to detail, prioritizing both the quality of materials and energy efficiency.

The design is modern and functional, conceived to offer maximum comfort and allow for a full enjoyment of the legendary Mediterranean lifestyle.

The Calanova Golf area is set in the hills of the Mijas Golf Valley on the Costa del Sol, very close to La Cala de Mijas, and offers views of the Mediterranean Sea and the mountains. It combines a quiet, high-end residential environment with a public-access golf course, and enjoys excellent road

connections—just a few minutes drive from La Cala de Mijas and its beaches (such as Butibamba beach or those in Calahonda/Riviera del Sol).

The surrounding area features notable residential complexes, such as Calanova Grand Golf, which offers properties—including apartments, penthouses, and contemporary developments—suitable as primary or secondary residences.

The location provides quick access to the A-7 and AP-7 highways, making it easy to reach La Cala de Mijas, Fuengirola, Marbella, or Málaga Airport in just over 25 minutes.
