Property Description

A new development of 44 private sea view residences, immersed in authentic Andalucia, bordering a protected nature area of approx. 230 hectares and conceived by a world class team, Designed so that all properties benefit from dramatic views of the sea and beyond.

Just 44 private residences are available within this gated community, providing two and three bedroom apartments, including 10 penthouses, each of which have their own private pools. Amongst the landscaped gardens, there is a beautiful heated pool, sun deck and outdoor covered kitchen for dining with family and friend To ensure that time in residence is as enjoyable and hassle free as possible, a comprehensive concierge service is available. For the convenience and safety of owners, there are ample underground parking spaces, private storage areas and 24hr security with guarded patrols to ensure peace of mind.

On the Mediterranean coast, the quality of the space outside is as important as what is on the inside, so we have taken great care, time and effort to ensure that the communal areas are well designed, spacious and secure. All apartments face onto the sea and gardens that are beautifully landscaped.
