Property Description

We present the journey towards a dream. We call this new promotion a great Jewel, like diamonds, sapphires and rubies. Like these, they only happen once in a lifetime. In this case, it is not given by nature, but by the skill and experience of great professionals. We will change the weight for square meters, the color for avant-garde architectural design, the clarity for light and the size for the best qualities and certified techniques. constructive.

They are super luxury homes in the best location of our prestigious Reserva del Higuerón urbanization. A new concept of housing that will make a difference. It has transformable interiors to enjoy the stay in a unique space. We go beyond the classic open concept of living room, kitchen and dining table. We added the space of the main room, through sliding walls, with the aim of obtaining the greatest possible feeling of spaciousness through a greater width of the spaces.

Without forgetting the guaranteed sea views, privacy, large terraces and sustainability. Homes with extensive customization possibilities based on your tastes and needs. Completion of work scheduled for before the summer of 2024. The common areas include everything one could wish for. Sculptural pergolas, design main hall with the possibility of a concierge, welcoming tours through green areas,

coworking area, pilates room, large gym with the latest technologies, sauna, Turkish bath, heated pool, massage room, utility room multiple, terraces with bar service, covered and uncovered solarium and large outdoor pool among others.
