Property Description

The avant-garde design and the exterior expression of nature combine to bring this villa to life.

A work of art at the façade that takes part in the architecture and design of the property with a unique corten steel sculpture that welcomes you to this unprecedented villa.

As if it were an art gallery, the villa is surrounded by wood, cut steel, marble, very high and unique ceilings where the lights hang, huge windows that let in the light, merging with the warmth of the inside.

A unique interior design, with rectangular and angular shapes, the property presents itself as modern and avant-garde. Surrounded by Mediterranean forest and with views of the Bay of Fuengirola, it will allow you to relax and enjoy the moment.

The immensity of the living room extends throughout the room merging with the garden out-side. The main floor has a double-sided fireplace and a central patio that leads to the marvellous outdoor areas.
