Property Description

Collection of six exclusive luxury villas in the Cascada de Camoján urbanization, in the Sierra Blanca area, on the Golden Mile of Marbella. The houses will be located within a closed complex, at the highest point of the urbanization, a very quiet and special environment, totally surrounded by nature.

With the mountains behind you and the sea in front of you, forming part of one of the best gated communities with 24-hour security measures in Marbella, the development is one of the most secure and private residential complexes in Marbella.

The villas have been designed by the prestigious architects Salvador Cejudo and Carlos Morales, their architecture aims to be an ode to elegance and mark the beginning of a new contemporary era. Meticulous work has been done to create a new, fresh and different concept, according to the exclusive Marbella market. This impressive project consists of four fabulous large semi-detached houses, with panoramic views of the sea and the mountains and 2 spectacular independent villas.

The villas have been designed in a respectful way with the environment, uniting nature and luxury,

where each four-bedroom residence has spacious rooms, perfect symmetry, an abundance of natural light and elegant interior and exterior spaces. The properties have an area from 590 m2 to 1,200 m2.
