Property Description

Dream urbanization designed for those seeking a luxury life in harmony with nature. Sustainability and innovation are fundamental values, which translates into a healthy lifestyle and a commitment to the environment.

Our goal is to create a community that offers an exceptional quality of life, and to achieve this, we have designed a wide range of wellness services and modern facilities that ensure our residents live healthy and happy lives. In addition, our elegant and modern townhouses offer a high level of comfort and luxury, designed to meet the needs of the most demanding.

Immerse yourself in the exclusive lifestyle of the Costa del Sol and enjoy the majesty of the Mediterranean Sea from the comfort of your home, with impressive views of the sea

As an example of adaptation to the environment, our ambitious project between the coastal towns of Fuengirola, Benalmádena and Marbella achieves the maximum use of the land in 4 levels of height and southwest orientation so that all homes enjoy outstanding views of the Mediterranean.

The 36 Top Sky Villas with 3 and 4 bedrooms have a private pool on the solarium floor, large terraces and total privacy. Serenity, security and unbeatable views.

Enjoying the great and small gifts of life is a privilege within your reach in an environment of light, blue and exclusivity without measure.

Through the spacious terraces on the ground floor and the attractive common recreation areas next to the 3 community pools, make the most of your time outdoors alone or in company.

Pampering yourself is the rule: Gym, Spa with indoor pool and relaxation room. You have an unavoidable appointment with your well-being.

We increase the technical requirement and incorporate the evaluation of measures related to security or home automation, reduction of the impact on the environment and health for those who live in it. Our goal is to create a more sustainable construction that guarantees economic, environmental and social benefits for all the people linked to the life of a building.

Widely enjoy the good weather and fresh air with complete tranquility and privacy. In addition, each Sky Villa has a private plot from which to take the pulse of the true bright and stimulating Mediterranean atmosphere.

Thanks to the careful distribution and optimal orientation, everything that the Mediterranean offers: clarity, warmth, sea, placidity and recreation coexist in your private resting place.

Not only do you have the best qualities and features, from the choice of floors and coverings in kitchens and bathrooms to advice on interior design and decoration, but it is presented as a real opportunity to incorporate details that speak of you.
