Property Description

An exclusive project consisting of 4 spectacular villas with a unique design. These homes are located in a gated complex on the beachfront in East Marbella, surrounded by fine sandy beaches and luxurious villas. Additionally, they are conveniently situated near a wide range of services and the best golf courses on the Costa del Sol.

The prestigious architecture firm Gonzalez & Jacobson is responsible for the exclusive design. This complex not only offers breathtaking views but also stands out for its high-quality construction, sustainable design, and a creative and innovative approach that is uncommon in residential developments.

The meticulous planning and design of the villas aims to maximize the views and highlight the exceptional location.

Each villa has been individually tailored to accentuate the natural beauty of the surroundings. Seamlessly blending the living room and terrace, the expansive living space seamlessly integrates with the outdoors. The floor-to-ceiling windows disappear into the walls, framing the unobstructed

vistas of the idyllic natural environment.

All residences are thoughtfully oriented towards the south, ensuring unparalleled views of the Mediterranean Sea.

Each property features a private plot of approximately 500m2 and comprises 4 bedrooms, 4 bathrooms, and a guest toilet. The outdoor area extends from the covered porch to the pool and concludes with a private sandy area where you can enjoy your own beach by the sea.
