Property Description

We welcome you to an exclusive project of 22 two and three bedroom apartments located in Mijas Costa, Málaga.

Each of the homes are meticulously designed to offer an unparalleled wellness experience. Take in the beauty of the coastal environment from the comfort of your own home. Are you ready to be captivated?

A place where you will feel infinitely grateful.

Thanks to its elevated position, you will have the privilege of letting your gaze lose itself on the horizon of the Mediterranean Sea. Enjoy a lifestyle that seamlessly combines the best of both worlds: the peaceful serenity of coastal living and the modern conveniences of an upscale community. Take a refreshing swim in the pool with views of the blue waters and relax in the relaxing common areas.

Gym & Spa. Your Wellness Haven

Imagine waking up every morning and having a fully equipped gym at your disposal, where you can

maintain your exercise routine without having to leave home. Furthermore, for those who want to relax after a hard day, the residential complex has a spa, offering an oasis of tranquility.

Discover an oasis of beauty and well-being!

We have created a captivating design that combines sustainability and effortless maintenance, where every detail has been carefully thought out to provide you with a unique experience.

Immerse yourself in exceptional landscaping where native species adapted to our climate intertwine in a harmonious dance. To take the project to the highest level, we have carefully selected a wide variety of species that will delight you during the four seasons of the year. Imagine exquisite blooms coloring the ever-changing landscape, while soft fragrances fill the air and elevate your well-being.

Where the possibilities expand.

Discover your new home and be captivated by the exceptional qualities and attention to detail. The open spaces create a perfect harmony between the living room, dining room and kitchen, ideal for entertaining or enjoying quality time with loved ones. The large windows flood the interiors with natural light, creating a warm and welcoming atmosphere.

Space is a common factor in all homes. Once outside, you will be surprised by the large terraces. If you are one of those who appreciate the small pleasures of outdoor life, this is your great opportunity.

May your dreams take flight.

The penthouses, with their large terraces, are a perfect setting to enjoy the impressive views of the Mediterranean Sea.

Enter your private temple.

The ground floor apartments offer the luxury of a private pool, creating an oasis of tranquility outdoors.

Architecture and design.

We have tried to achieve an organic architecture on the façade, but rational on the inside and location, where it dialogues with the outside, giving great prominence to terraces, private gardens, solariums and pergolas, having a very good orientation and views, and where These decorative elements reinforce their privacy.

Customise your space

Elysea Suites will be your new home, therefore our main purpose is not only to meet but to exceed all your expectations and wishes. With this in mind, we offer you the possibility of customising different spaces in your home, introducing upgrades and various options in kitchens and bathrooms. You may choose from the different proposals included in our quality specifications or ask our technical team for any improvement that's within the scope of execution.
