Property Description

This project of 140 3- and 4-bedroom townhouses is much more than a residential complex; it is a carefully designed project to offer you a home where quality of life and well-being are at the heart of every detail. Nestled in an unparalleled natural setting in Mijas Costa, it presents itself as the perfect place for those seeking to build a solid future full of possibilities. Everything has been designed to create a space where families can grow and thrive, surrounded by all the amenities necessary to enjoy a comfortable and fulfilling lifestyle.

From its spacious homes and exclusive common areas to the proximity of all necessary services, this project is the answer to the dreams of those who want to live in an environment that promotes a balance between personal and communal living, with a strong focus on sustainability, functionality, and connection with nature. The townhouse is more than a home; it is the perfect setting for your life and that of your loved ones to flourish.

The bedrooms are designed to be havens of tranquility and rest. With natural light and top-quality finishes, each room offers a cozy and comfortable space, perfect for unwinding and recharging. Its modern design ensures an elegant and serene atmosphere, ideal for creating a haven where you ll

feel completely at ease.

The orientation of the homes has been carefully selected to maximize natural light. Each home is strategically positioned to enjoy excellent lighting throughout the day, creating bright and inviting interior spaces. This layout also guarantees privacy and allows for pleasant Mediterranean breezes, ensuring a comfortable indoor climate and a constant connection with the natural environment surrounding the development.

The kitchens combine functionality and style in a single space. Designed with a modern and elegant approach, these kitchens offer spacious and well-organized surfaces, ideal for those who enjoy cooking or sharing time with the family. The high-quality materials and impeccable finishes not only guarantee durability but also add a touch of sophistication that makes each kitchen the heart of the home.

The bathrooms are designed as spaces of well-being and relaxation. With high-quality finishes, such as elegant flooring and wall coverings, and equipped with modern fixtures, each bathroom will become an oasis for you and your loved ones.

The private gardens are designed to enjoy the Mediterranean climate year-round. They offer a perfect place to relax, share a meal with the family, or simply enjoy a sunset. With enough space to create your own outdoor oasis, whether with plants, outdoor furniture, or even a chill-out area, the terrace and garden areas of each townhouse become a natural extension of each home, where you can unwind and enjoy unforgettable moments.
