Property Description

In the perfect balance between the blue of the sea and the golden sand, a new residential complex rises like an exclusive oasis on the Costa del Sol. Here, the light and views of the Mediterranean take center stage. Luxury homes and common areas designed for those seeking maximum exclusivity and comfort.

Modern homes with private terraces that seem to embrace the Mediterranean light. Common areas that are not simple amenities, but an everyday luxury: a gym, coworking space, sauna, Turkish bath, and a heated pool for all seasons. On the ground floor, the garden areas connect you with nature. And on the penthouse, a pool with breathtaking views. Torre Biznaga is not just a building. It is a space designed to live, feel, and enjoy.

A set of luxury facilities for just 35 homes: 4 swimming pools, a gym, a spa, and a coworking space. The common areas are designed to enjoy maximum comfort and entertainment without leaving the complex. You can enjoy the views from the infinity pool, pamper your mind and body in the gym and spa, and enjoy the outdoors in the pools and outdoor gardens. If you wish, you can also receive visitors and hold meetings in the coworking space, all without leaving Torre Biznaga.

Designed to redefine contemporary luxury, this exclusive residential complex in Fuengirola harmoniously combines design, comfort, and exclusivity. At the heart of its facilities are the spectacular pools located on the ground floor, surrounded by lush gardens and an elegant solarium. This space has been conceived as a private oasis, where every detail is designed to provide moments of relaxation under the Costa del Sol sun.
The common areas, carefully designed down to the last detail, offer a unique experience that extends from the lounge areas to the living spaces. This project not only elevates your quality of life, but also makes every day a...
