Imagine long summer evenings gathered around the table with friends, sunsets that melt into the sea as laughter drifts through open spaces, and mornings where the light gently wakes the house before you. Here, architecture quietly steps aside to let life take center stage. The orientation and layout of the homes allow the sun to embrace every corner from dawn to dusk, creating an atmosphere where time feels slower and days feel longer. Each residence opens to the horizon, inviting uninterrupted views and moments made for sharing.

With interiors ranging from 95 m² to 186 m² and terraces between 35 m² and 75 m², each home offers an exceptional sense of space and comfort. The penthouses and ground-floor apartments feature private pools, while a refined communal pool lies in front of the fourth residence building, creating an intimate resort-style atmosphere. Every element is designed to maximise sunlight, privacy, and relaxation, offering a seamless indoor-outdoor living experience all year round.

Expansive, floor-to-ceiling windows invite the stunning surroundings in, while the seamless flow of identical materials from interior to exterior terraces eliminates visual boundaries. This thoughtful integration creates an extraordinary sense of limitless space and natural harmony within your home. Open-plan interiors crafted with precision and purpose.

The open-concept design and premium materials create fluid, luminous spaces where simplicity becomes pure luxury.

Your private retreat, complete with a spa-like en-suite and expansive walk-in closet. Unwind in the lavish en-suite bathroom after a long day, while the grand walk-in closet provides elegant, generous space for your wardrobe. This is your sanctuary, crafted for ultimate comfort and tranquility.

The expansive basement is a blank canvas, ready to be transformed into your ultimate lifestyle hub. More than just a basement, it's a space designed for your aspirations. Its generous dimensions offer the ideal foundation to create a fully personalised environment — from an exclusive entertainment lounge with bar and games area to an elegant corner by the fireplace. Only selected units feature this additional space, making it a truly unique opportunity.
