0 m² Plot |

Property Description

Exclusive Plots for Luxury Villas in Finca Cortesín, Casares

Discover an exclusive collection of just 14 urban plots located in the heart of Finca Cortesín, one of Europe's most prestigious residential resorts, where luxury, privacy, and nature combine to create an unparalleled lifestyle.

The plots, ranging in size from 1,477 m² to 2,820 m² and with buildable areas between 443 m² and 823 m², offer the perfect setting to develop a unique and fully personalized villa, tailored to the needs and lifestyle of each owner.

You can develop your project in collaboration with renowned architectural firms such as Villarroel Arquitectos, Huete Arquitectos, and Colubi García Arquitectos, as well as with highly reputable construction companies specializing in luxury villas, guaranteeing comprehensive support throughout the entire process, from plot acquisition to home delivery.

Located in an elevated position within the resort, the plots enjoy privileged panoramic views of the

Mediterranean Sea, the championship golf course, or the inland lake, surrounded by a carefully preserved natural environment that provides absolute privacy and tranquility.

Key Features
