Property Description

We present an exclusive development in La Cala de Mijas designed around the concept of 'slow living', offering a tranquil and balanced lifestyle on the Costa del Sol. This boutique residential project prioritizes privacy, the natural setting, and contemporary architecture, creating an ideal environment for both primary residence and investment. The complex comprises just 48 two- and three-bedroom homes distributed across two low-density buildings.

The development's elevated position affords open sea views, while the architecture features clean lines, large windows, and spacious terraces. Each home is designed to maximize natural light and foster a seamless connection between indoor and outdoor spaces. Spacious layouts are complemented by modern finishes and outdoor areas designed for relaxation and enjoying the Mediterranean climate.

Well-being is a central focus, with communal areas designed for comfort and tranquility. Residents can enjoy an outdoor pool with a chill-out area, landscaped gardens, and a fully equipped gym. The complex's design prioritizes privacy and a connection to the surroundings, offering a refined and relaxed living experience.

The development enjoys a strategic location close to golf courses, beach clubs, and local amenities. Marbella is approximately 20 minutes away, while Málaga Airport is about 30 minutes away. This combination of accessibility, views, and contemporary design makes the project an attractive option on the Costa del Sol.

Mijas is one of the most sought-after areas on the Costa del Sol, known for its blend of coastline, golf courses, and relaxed lifestyle. It offers sandy beaches, restaurants, and a wide range of outdoor leisure activities, all while maintaining a quieter atmosphere than other nearby destinations. Its location between Marbella and Málaga enhances its appeal for both living and investment.
