Property Description

We present a fully renovated three-bedroom apartment in Las Terrazas de Las Lomas, an established gated community on Marbella's Golden Mile, just a five-minute drive from Puente Romano and the Marbella Club.

Renovated in 2023, the apartment has been designed around warm materials, clean lines and an easy connection between indoors and out. The open kitchen is centred around a generous island, while timber, natural stone and a soft neutral palette give the interiors a calm, contemporary character.

The living area opens onto a broad east-facing terrace with space for dining and relaxing, overlooking the surrounding greenery with mountain and partial sea views. The property offers 250 m2 built, including 180 m2 of interior space and 69 m2 of terraces.

Each of the three bedrooms has its own bathroom. Additional features include a fireplace, separate laundry room, electric blinds and underfloor heating in the bathrooms. The apartment is sold fully furnished.
