The ground floor comprises a living and dining room with a fireplace, a separate kitchen and a guest WC, bringing the main everyday living spaces together on one level.

On the first floor, two bedrooms each have an en-suite bathroom and a private balcony. A practical laundry area is also located on this floor.

The top floor, with sloping ceilings, contains two further separate bedrooms and a shared bathroom. One of the bedrooms has its own balcony. This layout allows a floor to be used for children or guests, or for a combination of bedroom and home office.

The property has an east–west orientation, air conditioning and fitted wardrobes. It is in good condition and offers scope to personalise the interiors. The sea can be seen from one of the terraces.

Nagüeles is a practical location for both a permanent residence and a holiday home. Educational options in the surrounding area include Swans International School, with its secondary campus in Sierra Blanca. Nagüeles Park and its pine forest provide recreational areas and access to hiking routes for those who enjoy spending time outdoors.

The location allows access by car to Marbella town centre and the Golden Mile coastline, where Nagüeles Beach, the seafront promenade and the restaurants at Marbella Club and Puente Romano offer a variety of leisure options.
