The main floor features a spacious living room with a fireplace, furnished with a Fendi table and four chairs, and a guest restroom. The kitchen is being sold unfurnished, allowing the new owner to design it to their liking. There is also the option to have it fully equipped.
The upper floor features two bedrooms and a full bathroom with a shower. The master bedroom has access to a separate walk-in closet, which could be converted into a third bedroom. On this same floor, there is a large Fendi mirror. The home includes built-in closets and heat/cool air conditioning to ensure a comfortable temperature year-round.

The rooftop could also be converted into an additional space for relaxing outdoors.
The location combines a peaceful residential setting with proximity to Marbella`s amenities. For reference, the beaches of the Golden Mile and the city center are about 2–2.5 km away; the Old Town
