Property Description

We present a luxurious set of nine exclusive homes with views of the Mediterranean Sea. A private residential complex with a swimming pool. Located in a magnificent enclave, in Mijas Costa, the heart of the Costa del Sol, next to Fuengirola and just 20 minutes from Marbella. A place that has excellent communications with Malaga, close to any service you need and with all the entertainment you can imagine: beach, golf, shops, leisure... and all while enjoying the unique climate of this area. The penthouses have a large solarium terrace with a Jacuzzi-type hydromassage mini-pool, while the ground floor apartments include a private garden. They have a large living room with large-format porcelain flooring, an integrated kitchen with a central peninsula and a fully equipped Silestone countertop, with base units and high to the ceiling, dishwasher, washer-dryer, refrigerator, ceramic hob, oven and extractor hood. All bedrooms have motorized blinds, and the main ones, suite type, with integrated bathroom, and dressing room or built-in wardrobe. The houses have home automation and alarm installations to make your life as comfortable and peaceful as possible. And, although we enjoy a fantastic climate on the Costa del Sol, there are always days when extra help comes in handy. For this we have air conditioning through the installation of hot-cold air conditioning in the homes and underfloor heating in all the bathrooms. As if all of the above were not enough, all the homes also include a garage and storage room. Let

yourself be seduced and discover what your views will be al mar, the building inspired by Andalusian architecture, but with clean, modern lines; It is distributed in three fan-shaped blocks of only nine exclusive homes with up to 308 m2 built, with 2 and 3 bedrooms, 2 bathrooms, a garage and a storage room each. All the homes have large windows that maximize the natural light of each space, while favoring magnificent views of the sea and the Mediterranean landscape thanks to its south-southeast orientation and its large terraces. The urbanization is located just 5 km from the center of Fuengirola and 35 km from the center of Malaga. A place of easy communication from which you can access all the services you may need. The nine homes have been designed in detail, with first class construction, finishes and qualities. As you can see, the only thing Monterrey lacks is you to give it a vibe. There are 3 different types of housing that make up this fantastic promotion, and all of them meet the necessary requirements to meet your expectations. So here you have all the details and options to choose the house that best suits your tastes and those of your family.
