Property Description

We present this residential complex made up of 132 homes with 1, 2 and 3 bedrooms and penthouses with three bedrooms. All the houses have a garage, storage room and large terraces to enjoy the surroundings.

The houses are distributed in large, very bright rooms to enjoy the views from the open terraces on all the facades. It is an elegant promotion of apartments and penthouses that is completed with common areas for rest that have green areas, swimming pools, gym, sauna and children's play area.

The qualities of the materials are high-end with laminated wood floors throughout the house, except in the bathrooms that have porcelain stoneware floors and the terraces with ceramic floors.

The exterior carpentry is in color lacquered aluminium, as are the shutters, and the windows are in double-glazed thermo-acoustic glass with an insulating air chamber to insulate against noise and heat.

The kitchen is supplied equipped with a refrigerator, washing machine, dishwasher, oven, ceramic

hob and extractor hood, Bosch brand, or similar.

Garages and storage rooms are included in the price.
