3 Bedrooms | 1 Bathrooms | 120 m² Interior | 110 m² Plot | **Garage** Yes |

Property Description

This magnificent house is located in La Cala de Mijas, with an enviable and completely unrepeatabe situation. They are of the few houses that are right in front of the sea. Only because of the location, the house is worth it, but on top of it, it has a recent reform that makes it even better.

The house has two bedrooms and a bathroom. The living room overlooks the sea and the garden. The kitchen is open and completely new. It has a storage area or for an internal one. It has parking but the best and unrepeatabe is its location and direct and private access to the beach! This is the incredible thing about this property. Do not let it go if you were really looking for something like that because they are opportunities that do not repeat themselves. Inform yourself without obligation.
