Property Description

Magnificent terraced house, independent with views to the beach of fuengirola. If you are looking to enjoy views of the beach without buildings in front, feel the sea breeze and be able to walk to the same crossing just two streets, this is your home. The plot consists of a house on two floors with a covered and uncovered porch, space to park two or more cars. We only have photos of the top floor because of the momentary impossibility of taking photos of the first floor. The property is being renovated by the owner but the value of it for location and physical space is unbeatable. The upstairs 60m² (photos) consists of a living room with two bedrooms and a bathroom. It also has a terrace from which to see the sea. The same can be accessed from outside so it could become an apartment for visits or possible service. The lower part has a priori two bedrooms and another bathroom with about 115m². The plot has a back of the same buildable size. Do not miss the opportunity and visit it, you will not regret it.
