## Property Description

**ONLY 2 UNITS LEFT AVAILABLE! DON T MISS YOUR OPPORTUNITY TO OBTAIN YOUR DREAM VILLA!**  
Villa with 2 bedrooms on the first floor and the possibility of 2 more rooms in the basement with direct access to the garden.

The villa where you will start your new life project will be in Torreblanca, a residential area to the east of Fuengirola. Here you will live surrounded by all kinds of services, away from the noise of the cities and immersed in an enviable climate. In addition, Torreblanca will have a multitude of public and private educational centers Less than 15 minutes away, there will be no shortage of public health centers, private clinics, supermarkets such as Supercor, Lidl or Mercadona, and the Miramar Shopping Center.

Living in Fuengirola implies living at the Sea side. In just 4 minutes, you can reach the beaches of Carvajal and Torreblanca.

The residents of Fuengirola consider that these two are the quietest beaches in the municipality, and their beach bars are their leisure benchmarks. Finally, this new project is 15 minutes from the center of Fuengirola and 35 minutes from the center of Malaga.

There will be villas of 2 different types, with sizes between 210 m<sup>2</sup> and 268 m<sup>2</sup>, distributed over 3 floors and with the option of a rooftop to continue enjoying the sun and sea views. All will be equipped with a private garden of up to 225 m<sup>2</sup> and a terrace with areas of up to 120 m<sup>2</sup>.

The surface of the garden varies depending on the plot you choose. The architects have designed this project with a triple objective: to offer a villa with magnificent views of the Mediterranean, to enjoy the tranquility of its green surroundings and to enjoy design environments, open and The main rooms are south facing. From them, you will enjoy spectacular natural light that begins first thing in the morning and ends at sunset. In addition, you will have views of the sea from the different rooms of the villa and from your private garden.

The personalization of your home is a basic part of our projects, allowing you to adapt your home to your own needs. With this objective, he will meet with the architects to decide on the configuration of his home, rooms and to be able to adapt the finishes to his preferences.
