Property Description

Each two-storey villas is elegant and sophisticated. The exterior has distinctive, contemporary architecture. Every exclusive villa presents a stylish, uncluttered appearance that's perfect for an uncomplicated way of life.

The large window walls open completely to join the interior to the outside terrace. During the summer months your home benefits from the refreshing breezes of the Mediterranean Sea.

It creates an immense open space where you can relax with your family and friends. You can look forward to barbecues on the spacious terrace. You can also relax in your own private infinity pool alongside the terrace.

The streamlined interior has a chic, elegance. It makes the open-plan living room very easy to look after. Yet the room also has great character and charm. It becomes remarkably cosy when the firepit is alight. You'll find the kitchen area a pleasure to use. It has a compact design that includes plenty of convenient storage.

You can choose your favourite villa from two exclusive designs. Type A has the living room, private pool and terrace on the lower level with the four large bedrooms upstairs. The alternative design is Type B which has four bedrooms downstairs. The living room, terrace and swimming pool are on the upper floor. Whichever style you choose, you will have unobstructed views of Málaga and the

Mediterranean Sea.
