Property Description

Luxury penthouse with stunning sea and mountain views! This luxurious complex was built at the end of 2018, the house is in impeccable condition. Its impressive views of the sea and the mountains will leave you breathless, having the height that the house has, you can only breathe nature. Enjoy great peace of mind. The house is built with the highest qualities, blank lacquered aluminum inlaid closures with thermal bridge break, in order to extend the stays to the terrace and give a feeling of direct contact with the outside, as the terrace is covered with artificial grass it is magnificent the feeling of luxury and comfort, it's like living in a villa. It also has motorized awnings to provide greater comfort to the home. The terrace is very spacious with Jacuzzi, dining area and sunbathing area enjoying unbeatable views of the infinite sea. The house has 3 bedrooms with sea views, and three bathrooms with large shower trays and bathtubs. All with underfloor heating. All rooms with fitted wardrobes and in the hallway and entrance as well. The American kitchen of a beautiful design with sea views and high-end appliances open to the living room, which enjoys great luminosity and from it you can already appreciate the spectacular views, the living room has high ceilings although in the photos it seems not, because of that small attic part, but it is only the sensation that the images give. It is a house that you will be surprised. This elegant house is perfect to live permanently, for vacations or for investment and rent it if you wish. The

property has two parking spaces with electrical installation for electric vehicles and two storage rooms, one on one of the terraces of the house and another very large one, also 12m², located in the garage next to the parking space. The complex has a gym, saltwater pool surrounded by a garden and a barbecue area. It also has a social club, with a kitchen, a reading area with a library, and a work area with a printer. And sauna!

The house is very spacious, and very bright, it is perfect! It has a bus stop next to the complex and the train stop very close as well. There is also a small restaurant two minutes walk away. It is an opportunity if you are looking for a unique and exclusive home!
