Property Description

What you are discovering could be your best investment project or your dream come true in front of the sea, it needs modernization and care, but... it has all the possibilities in the world, the important thing is that you already have what is not so easy to change... LOCATION AND ORIENTATION. Neither the kitchen nor the living room are small spaces even though it is a property of not many meters, both areas are connected in an ideal way, perhaps you imagine everything united, or take a room out of that large kitchen with a laundry room! The terrace houses a table and several chairs, so that spending time there, seeing what the light, the sea, and the landscape transmits to us at every hour of the day... is a real pleasure for anyone. There is a double bedroom with fitted wardrobes and large exterior window. The community has a swimming pool, gardens, ramps, elevators... Parking depends on the seasons due to the area, but if you want to buy or rent a space in the building, it is always possible.
