Property Description

From the outset, we had it clear that this development was going to be a truly special and unique project, designed especially for you. An authentic philosophy of life reflected in 21st-century homes with the perfect fusion between modernity and the essence of finest materials.

Our idea was to create sustainable homes that are at one with nature. A return to the organic and ecological way of life, where you can enjoy your own vegetable garden and grow natural produce, advised and guided by expert farmers.

These thirteen exceptional villas with the best possible features are designed by the prestigious architectural firm González & Jacobson, who have made each property an authentic work of art with materials that showcase their soul, provide warmth and complement the architecture.

What's more, the gardens reflect Laura Pou's passion for landscaping, always in pursuit of beauty, innovation and environmental responsibility.

The project was designed for you to enjoy with all the senses. Its incredible views, its design, its more

than 5,000 m2 of landscaped spaces with gardens and orchards, its swimming pools and its pergolas.

It's a natural oasis surrounded by woodland, fruit trees and flowers, yet just a stone's throw from cosmopolitan towns with all the services they provide.

This residential is an ecological lung in the heart of the Costa del Sol. The Costa del Sol is famous worldwide for being a benchmark in terms of golf courses in Spain, both for quantity and quality.

With more than 70 courses, it is the leading destination in Europe for lovers of this sport.

Located in the heart of golf country, it's surrounded by some of the best courses on the coast.
