Property Description

An innovative project in Marbella made up of spacious and bright one, three and four-bedroom homes, apartments and penthouses where you can start a new life or enjoy unique moments on your holidays on the Costa del Sol.

The spectacular views of the sea, the location on the first line of golf and the avant-garde design are three powerful reasons to choose this project as your new home. The rest of the story is in your hands.

The Cabopino area, in Marbella, concentrates everything you could wish for. To the north, pine forests and Cabopino Golf with its spectacular views. To the south, the Dunas de Artola protected natural area, which ends at Cabopino beach, a beautiful and isolated stretch of golden sand some 1,200 meters long, next to which you will find the marina of the same name.

The Mediterranean Sea, your new neighbor

Surely you have always dreamed of living next to the Mediterranean Sea. Now it is possible. That is

why we have devised unique homes with 1, 3 and 4 bedrooms, each with its own personality. Among its apartments and penthouses you will find the one that best suits you, spacious and bright for your full well-being.

A design to live in nature

An exceptional location, next to the Mediterranean Sea, with an average temperature of 20 degrees and more than 320 sunny days a year, La Costa del Golf is a safe bet for those amateurs and professionals who want to play at any time of the year. Also, if you have always dreamed of waking up seeing the sea, now you have the opportunity to achieve your dreams.

Don't dream it, live it

Each home is unique, no two are the same. However, there is something that they all have in common: space is the protagonist. For this reason, the floors of the rooms blend with those of the terraces, to create a feeling of openness towards the sea and the mountains. Its integrated kitchens invite you to share breakfasts, dinners, after-meals... All designed to continue creating memories. Apartments created with the soul of villas

The exterior combines the elegance of wood and glass with the robustness of stone. Its design takes advantage of the unevenness of the terrain to create unique and different homes: ground floors with private gardens, penthouses with spectacular terraces and private pools, apartments with 1, 3 and 4 bedrooms...

Without a doubt, you will find your new home here.

A unique design, an incomparable environment.

Its configuration, with various heights, is expressly designed so that the light of the Mediterranean floods each one of the houses. In the common areas, the water from its two swimming pools and the vegetation of its many garden areas blend into a perfect mix that invites you to relax and enjoy.
