Property Description

Residential complex of 8 EXCLUSIVE LUXURY HOUSES, to choose between the different types of apartments and duplex-penthouses. It also has parking spaces and storage rooms.

The building, singular and emblematic, rises over 3 floors that are integrated into a natural urban environment located in an incomparable residential area and increasingly in demand due to its excellent location in Torremolinos.

In this residential located in Montemar, all the details inspire well-being, functionality and modernity. Each house has a large terrace and PRIVATE POOL with spectacular views of the sea. The facilities and access areas are centralized to allow users all the comfort.

Taking advantage of the buildability of the land on a hillside, the building has maximized its distribution by offering different types of housing. In this residential, there is a single 3-bedroom house that stands out for its spaciousness and natural light during most of the day. It has a very spacious terrace with a summer kitchen, which offers the possibility of adopting different environments, providing the feeling of comfort and relaxation that you long for when you get home.

In addition, we cannot forget the 3 PENTHOUSES-DUPLEX of the promotion. Unique and special in their design thanks to their privacy, views of the sea and spaciousness, the main qualities that transport us to the maximum culmination of luxury and well-being.

The living rooms have large windows that allow natural light to pass through, causing great fluidity between the interior and exterior of the homes, thanks to the design of their terraces and glass curtains that multiply the spaces.

The bedrooms, rooms that invite you to relax, adopt precise solutions with top-quality finishes and materials to achieve the privacy and comfort required at all times.

This residential is located just 7 minutes walk from the beach of La Carihuela, one of the best known on the Costa del Sol. Enjoy a varied leisure offer with restaurants, cafeterias, beach-clubs and all kinds of services such as shopping centers , medical, educational, golf courses, etc.

Without having to take the car, from the residential you can count on a varied network of public transport to facilitate your travels. In the case of choosing private transport, quick access to the AP-7 motorway and the A-7 motorway allow you to travel to the main cities on the coast.
