

Apartment for sale in Fuengirola

3 Bedrooms | **2** Bathrooms | **100** m² Interior | **16** m² Terraces | **Garage** Yes | **Pool** Yes |

Property Description

Residential development consisting of four buildings is designed, that are interconnected. Each of the 4 buildings has a single apartment per floor, making a total of 16 units 8 of which have 2 bedroom and another 8 with 3 bedrooms.

Kitchens are fully equipped with high quality furniture and electrical appliances such as induction hob, electric oven, integrated extractor hood, dishwasher, refrigerator, microwave, sink and tap.

Almost 100% of common external areas are landscaped integrating basement, pool area, gardens and parking lot into a sustainable solution with great spatial, thermal and energy saving advantages.

The garden area extends to the entire plot, achieving a mass of trees that generates a more breathable, shady place with great thermal comfort, in short, a greener and healthier space and environment for the complex and, consequently, a better adaptation and improvement of the urban environment.
