Property Description

After the success of its 3 previous phases, sold in full, now you have the opportunity to see Phase 4 of this spectacular residential complex located in Casares, a few kilometers from Estepona.

This new phase offers a concept specially designed to meet your needs, seeking to optimize space, providing unbeatable equipment and paying attention to detail. 59 homes with 1, 2 and 3 bedrooms and lofts where you will achieve your dream of living on the Costa del Sol.

Are you going to miss the opportunity?

The homes offer an incomparable residential experience with very bright spaces that open onto balconies and terraces, ideal for enjoying the surroundings.

With a characteristic and innovative design, where spaciousness and lighting prevail

Each home will have quality finishes, including fully equipped kitchens and double-glazed windows that will provide maximum insulation and comfort.

They will also include central hot and cold air conditioning and a private storage room for each apartment.

Direct contact with nature and swimming pools within everyone's reach. Live in a relaxed atmosphere, rest on the sun loungers and enjoy the sunset from our terraces and chill out areas with your favorite cocktail.

The smallest of the house will be able to participate in an all-inclusive summer camp, where they will enjoy a variety of activities.

Have fun practicing water sports, such as kayaking, paddle surfing, pedal boats...

Also, enjoy the fitness center with views of the pond, the outdoor exercise area, and the volleyball court.
