They have committed to building on just 5% of the land, to ensure large green areas with protected oak and pine trees flanking this magnificent hillside retreat.

The impressive Andalusian architecture blends perfectly with the facades and colors of the houses and the surrounding mountains bring us closer to the Mediterranean Sea. Just a stone's throw from the coast, the famous town of Marbella and Puerto Banus, this cozy hideaway with its endless beauty, peace and tranquility, is a guaranteed heaven for a holiday or permanent residence. our current and future residents.
