3 Bedrooms | 4 Bathrooms | 213 m² Interior | 76 m² Terraces | Garage Yes |

Property Description

We present this fabulous project that consists of four luxury single-family homes with a distribution on the ground floor, upper floor and basement in the El Limonar neighborhood, known for its prestige and elegance. In addition, it is located a few meters from the beach, which allows you to enjoy quality free time with beautiful coastal landscapes and outdoor activities.

Each home has ample recreation and parking space, as well as a garden and private pool that provides the opportunity to cool off and relax in the comfort of home.

They are designed with large windows that allow a large amount of natural light to enter and create a visual connection between the interior and exterior of the home.

Kitchen open to the living room, fully furnished and equipped with high-end appliances, providing a modern and functional space.

Three bedrooms with en-suite bathrooms and east orientation which means they receive plenty of sunlight in the morning.

They offer exclusive Porcelanosa finishes, home automation systems to control various aspects of the home, photovoltaic energy for savings and an A energy rating that guarantees high efficiency and sustainability.
