

Industrial building for sale in Mijas

1 Bathrooms | 125 m² Interior | 0 m² Plot |

Property Description

500m2 commercial warehouse located a short distance from the town center of Las Lagunas, Mijas Costa and in the vicinity of the well-known Polígono La Vega. The warehouse is in excellent condition, has a double-height ceiling with skylights that provide natural light and is built of corrugated steel sheet and exposed brick.

The floors are made from concrete. There is a loft for more storage. One of the entrances leads to an area that is currently used as a reception / office.

The available space is completely open plan and allows the possibility of creating 4 subdivisions of 125m2, so there is the possibility of purchasing the entire warehouse or one or more subdivisions.

Subdivision 1: 125 m2, â,-200,000

Subdivision 2: 125 m2, â,-180,000

Subdivision 3: 125 m2, â,-180,000

Subdivision 4: 125 m2, â,-180,000

Access to the warehouse is simple, allowing easy loading and unloading of goods with large trucks. Access to the highway is just a few meters away so it is not necessary to drive through the urban area.
