Property Description

Spectacular residential designed to connect with the essential elements of life: water and nature. This exclusive development has more than 7,000 m² of lush green areas and spectacular waterfalls that create an ideal environment for relaxation and enjoyment of the extraordinary views of the Mediterranean Sea. This wonderful combination will make the long-cherished dream of living in a paradisiacal environment come true.

The project offers 233 properties with 1, 2 and 3 bedrooms, with a variety of typologies to satisfy the most demanding tastes. These include Garden Villas with private pools and gardens designed to minimize environmental impact, using drip irrigation and native plants, shrubs and trees. Deluxe apartments with stunning panoramic sea views. And the wonderful Penthouses with magnificent views and private pool, offering the ultimate in luxury and exclusivity.

The southwest orientation of this development not only offers stunning views, but is also an example of sustainability. This orientation allows the homes to be naturally air-conditioned throughout the year, making the most of sunlight and cross ventilation.

This exclusive residential area is not just a place to live, it is a lifestyle that combines luxury, nature and sustainability in perfect harmony. Come and discover how your dreams can come true in this Mediterranean paradise.
