

Townhouses and semi-detached houses for sale in Mijas

4 Bedrooms | 3 Bathrooms | 259 m² Interior | 44 m² Terraces | Garage Yes |

Property Description

Introducing an exceptional opportunity to own a townhouse in a prestigious development alongside the renowned Chaparral Golf Course.

This stunning townhouse occupies the highest point of the development, offering unrivaled panoramic views of the golf course, the Mediterranean Sea, and the beautiful coastline of La Cala.

Designed to capture abundant natural light, the villa boasts a sought-after south-southwest orientation, ensuring sun-filled interiors throughout the day and breathtaking sunset views over the western horizon.

The villa features a private underground garage with space for two vehicles, providing both convenience and security.

Part of an exclusive development of 69 townhouses, set for completion in 2027, this property is being sold as a resale, but the legal taxes is for new development. Since the villa is still under construction, the new owner will have the exciting opportunity to customize the property to their preferences.

Available design options include:

A private plunge pool

Charging station for electric vehicles and golf buggies Installation of an elevator

Laminate flooring color customization

Option to replace laminate flooring with stoneware
