At its heart lies a communal swimming pool, complemented by a chill-out style pool bar that invites you to enjoy leisure time in a relaxed, tropical atmosphere. For outdoor enthusiasts, there is also a dedicated barbecue area—perfect for gatherings and celebrations with family and friends.

In addition, the development includes an equipped gym that allows you to stay active without leaving home, as well as a coworking area that makes remote work or studying easy in a comfortable and functional setting. These facilities reflect a commitment to a balanced lifestyle, where relaxation, social interaction, and productivity come together in a single space designed to meet the needs of every resident.

Functionality and an intelligent use of space are at the heart of a design created to suit today's modern lifestyle. Every corner has been thoughtfully laid out to offer a sense of openness, comfort and flow, resulting in homes that make the most of every square metre without compromising on style or convenience.

Open-plan layouts seamlessly connect the living room, kitchen and bedroom in a visually harmonious space, enhanced by warm tones and natural materials that bring brightness and a welcoming feel. The terrace, conceived as an extension of both the living area and bedroom, becomes the ideal spot to enjoy the outdoors, natural light and the privileged Mediterranean climate all year round.
