Property Description

Discover a new residential complex in Mijas Costa. An exclusive collection of 142 two- and three-bedroom apartments and penthouses. Enjoy sea views even from the ground floors, bringing you closer to the Mediterranean Sea and the most breathtaking panoramas on the Costa del Sol.

The complex has been designed to offer you a balanced lifestyle where well-being, relaxation, and enjoyment blend in perfect harmony. Its prime location and exclusive communal areas have been designed for your comfort and that of your loved ones.

It's not just a place to live; it's a unique opportunity to elevate your lifestyle and that of your family. Balance, well-being, and stunning Mediterranean views: everything you need to enhance your quality of life is here.

Enjoy unique communal areas that will improve your quality of life and help you maintain a balanced lifestyle.

The communal areas feature a central swimming pool with a chill-out zone, designed for relaxation

and enjoyment. There is also a gym, spa, social club, and coworking space. All of this is surrounded by spacious gardens, parking, and storage for your complete convenience.

The spa area is a space dedicated to personal care and relaxation, where body and mind find balance. This space has been designed to offer a relaxing experience in an elegant and welcoming environment, ideal for recharging your batteries without leaving home.

The gym, equipped with state-of-the-art equipment, allows you to train comfortably every day of the year, whether for cardio, strength training, or stretching. A modern and functional environment that encourages movement and self-care in your own residential community.

The coworking space has been designed to adapt to new ways of working. With a modern design and well-lit spaces, it is the perfect place to combine productivity and quality of life in your own community.

Conceived as a spacious meeting point to share special moments with neighbors and friends, every detail in the social club has been meticulously chosen, prioritizing quality and style.

We have designed each home with a special focus on design and functionality, creating modern homes that combine comfort and beauty. Designed to adapt to the real needs of everyday life, our homes are also prepared to host those unique moments that make life more special.

Located in a sustainable, welcoming, and exclusive setting, the homes offer a harmonious balance between nature, architecture, and innovation. Everything is designed so that you can enjoy not only your home but also the communal areas, with the authentic feeling of truly being at home.

All homes benefit from a south or southwest orientation, ensuring excellent natural light throughout the day and a warm and comfortable atmosphere.
