Property Description

We present a new development designed for those seeking more than just a home: a lifestyle connected to nature, design, and sustainability.

It offers 50 multi-family residences with 1, 2, and 3 bedrooms, all crafted to provide tranquility and everyday comfort. The spacious, sun-drenched terraces are designed to maximize natural light year-round, serving as a perfect extension of the living space. The complex also includes storage units and parking spaces for both cars and motorcycles, ensuring convenience and functionality.

The communal areas are designed for socializing, relaxation, and well-being—ranging from the exclusive Kitchen Club and Social Living areas to a comprehensive Wellness Center featuring indoor and outdoor gyms, a sauna, and a relaxation zone.

The homes are delivered fully equipped, featuring fitted kitchens, Airzone climate control systems, aérothermal technology, and pre-installation for smart home systems, among many other high-quality features.

Everything you need to live well. Everything you deserve.
